ORDER

Before the Court are defendant's motions for an independent medical examination ("IME") and for a temporary restraining order/preliminary injunction. The Court held telephone conferences on the motions on February 24 and 27, 2006. Having been informed by the parties that the surgery scheduled for March 1, 2006, has been cancelled, the motion for TRO/preliminary injunction [docket entry 8] is denied as moot.

The motion for an IME [docket entry 7] is granted. Plaintiff is ordered to submit to a medical examination before Dr. James Brophy in Memphis, Tennessee, on March 27, 2006. Plaintiff is further ordered to make every effort to obtain and bring with him the original films of his two prior MRIs and any X-rays that have been performed in connection with his treatment by Dr. Tonymon.

SO ORDERED this 28<sup>th</sup> day of February 2006.
